31F. A supervisor shall whenever required to do so report to the Community Service Order Co-ordinator on any matter relating to an offender under his supervision.

31G. A person shall not act as supervisor in respect of a community service order made in relation to any work under which he would obtain any benefit unless the benefit accrues to him as a member of a group within the community or as a member of the community.

31H. Subject to the directions of the Community Service Order Co-ordinator, a supervisor may excuse an offender from attending on any day under a community service order or may excuse an offender from continuing to do any community service required of that person under a community service order on any day, if the supervisor is satisfied that there are reasonable grounds for so doing.

31I. (1) An offender who does not attend at a time and place as required under the directions of the relevant officer on the grounds of sickness shall on his next attendance or as soon as possible thereafter produce a medical certificate signed by a legally qualified medical practitioner certifying that he was not able to attend because of his sickness.

(2) The time during which the offender was to have performed community service under the preceding section shall be deemed to be time worked by the offender in compliance with the community service order.

31P. Where a relevant officer is satisfied that suitable transport is not available to convey an offender to or from the place where the offender has been directed to report for community service, the relevant officer or the supervisor may provide that offender with transport to or from that place or for any part of the journey to or from that place.

31Q. Where an offender, in accordance with the direction of a relevant officer, reports to a supervisor for community service and is then transported to a place of work, the time taken to transport him to and from the place of work shall be deemed to be part of the period of work.

31R. (1) An area supervisor who is not an officer under the Public Service Act, 1904 or an employee of any State service as defined under section 5 of that Act may be paid—
